These records provide background material for publicizing the activities of the Governor's administration. The Press Secretary from January 1985 to April 1992 was Francine Giani; the Press Secretary from April 1992 until January 1993 was Heather Barney. Many types of records are included in this series such as: biographies, correspondence, cabinet and city council minutes, daily news summaries, and media responses. Also included are general records utilized in the preparation of the book *Building a Better Utah: The Bangerter Administration*. In addition to paper records there are numerous photographs and two audiovisual cassettes (VHS format).

The Press Secretary's office collected materials pertaining to many subjects including the accomplishments of the various departments of the government which were used to prepare press releases. Among the correspondence papers are numerous requests from autograph seekers and school children. For several years summaries of the daily television and newspaper reports were collected. Occasionally the Governor held "Open Door Meetings" which were designed to allow the Governor to converse with citizens about their topics of interest.

**ARRANGEMENT:** Arrangement is alphabetical by topic and chronological thereunder.

**RELATED RECORDS:** Series 13698, PRESS RELEASES, contains the actual materials given to the press.

**PROCESSING NOTE:** This series was transferred to archival custody beginning in 1992.
